# Fall Of The Jedi

6 0 1

## Chapter 1 by Pusheen KawaiiKat

The New Jedi Grand Master just got their position. I think she is good for the job. She has experience in both saber-staff and vibroblade combat, so no enemy shall assassinate her. However, she requests something weird. She asks us to use our hatred and anger to win, which many disagree with. She also requires a red or orange lightsaber. She is causing us to act like Sith.
